Ordinance No. 39.

Granting to the Clear Lake Electric Power Company, its successors and assigns, the right and privilege to place, lay, erect, construct, maintain, and operate in the streets, roads, and public highways in the County of Solano, California, poles, wires, and other conductors for the transmission of electricity for electric light and power purposes, and to exercise the privilege of operating electric light and power systems within said County.

The Board of Supervisors of the County of Solano do ordain as follows:

Section 1. The County of Solano, State of California, hereby grants to the Clear Lake Electric Power Company, its successors and assigns, the right, privilege and franchise to place, lay, erect, maintain and operate in the streets, roads and public highways within said County, poles, wires, and other conductors, with all necessary distributing and relay stations, wires, poles and crossbars, and all necessary connecting and appliances for the transmission of electricity for electric light and power purposes, and the right to sell electric light and electric power therefrom within said County. The main transmission line to run from a point on the County road at the Southerly line of Napa County, thence to the City of Vallejo, thence to the City of Benicia by
County road.

Section 2: Such wires or conductors shall be stretched upon poles or other fixtures above ground in a workmanlike and proper manner; said poles shall be erected at the edge of the road beds in said County in a good and substantial manner, and said poles shall be of sufficient height and strength to properly support and sustain said lines of wire or other conductors, and of such height as to so elevate said wires above said streets, roads and highways so as to avoid obstructing the same for ordinary use.

The Board of Supervisors of the said County of Solano, shall have the right to cause said grantee to move the location of any pole whenever in the opinion of said Board of Supervisors the public convenience shall require the location of the same elsewhere; the expense of said removal to be paid by said grantee.

Section 3: The said grantee or assigns, may make all necessary excavations in any of said streets, roads or public highways for the purpose of erecting and maintaining poles or other supports for said wires or conductors, or repairing the same, and said work shall be done in compliance with the necessary rules, regulations, ordinances or orders which may, during the continuance of
this franchise be adopted from time to time by the Board of Supervisors of said County and the same shall be done to the satisfaction of the said Board of Supervisors.

Section 4: Nothing in this ordinance shall be construed as in any wise to prevent the proper authorities of said County of Solano from sewerin, grading, paving, planking, repairing or altering any of said streets, or thoroughfares herein mentioned.

Section 5: The rights, privileges and franchise herein granted shall continue and be in force for the period of Fifty (50) years from and after the final passage and publication of this ordinance.

Sec. 6: This franchise is granted upon the express condition that the said grantee, its successors or assigns shall begin actual work under this franchise and upon some of its lines of poles within the period of three years from the date of the final passage and publication of this Ordinance and shall complete its said systems under this franchise within five years from the date of the final passage and publication of this Ordinance unless such time shall be extended by the Board of Supervisors of the County of Solano. If such systems are not begun and work thereon commenced within the period herein specified, or fin

ished within the period herein specified
then this franchise and all rights, granted hereunder shall cease and be absolutely null and void.

Sec. 7: This Ordinance shall be in full force from and after its final passage and publication.
