ORDINANCE NO. 108.

AN ORDINANCE REDUCING THE PERMISSIBLE WEIGHTS OF VEHICLES AND LOADS OPERATING OR MOVING UPON IMPROVED COUNTY HIGHWAY NO. 76, IN THE COUNTY OF SOLANO, STATE OF CALIFORNIA, AS PROVIDED IN SECTION 28 OF THE CALIFORNIA VEHICLE ACT OF 1923.

The Board of Supervisors of Solano County do ordain as follows:

SECTION I. GROSS WEIGHT PER INCH WIDTH OF TIRE: No vehicle equipped with tires of any material other than metal shall be operated or moved upon improved county highway No. 76, running from the westerly limits of the Town of Suisun City westerly to its intersection with the California State Highway at Cordelia in the county of Solano, State of California, when the weight of such vehicle, and any load thereon, resting upon the surface of said above described improved county highway exceeds 350 pounds upon any inch of the channel base width of tire; and no vehicle equipped with tires, rollers or wheels, the rolling surface of which resting upon the above described county highway is made in whole or in part of metal, shall be operated or moved upon said above described county highway when the weight of such vehicle, and any load thereon, resting upon the surface of said above described improved county highway exceeds 250 pounds upon any inch of width of tire, roller or wheel of such vehicle except that a horse drawn vehicle equipped with metal tires may be moved upon said above described improved county highway when the weight of such vehicle, including any load thereon, does not exceed 350 pounds upon any inch of width of tire of such vehicle.

SECTION II. GROSS WEIGHTS OF VEHICLES AND LOADS: No vehicle shall be operated or moved upon improved county highway No. 76 which has a total weight, including vehicle and load, in excess of 11,000 pounds when such vehicle is equipped with four wheels running on the highway, or having a total weight, including the vehicle and load, of 17,000 pounds, when such vehicle is equipped with six wheels and three axles, and when the front and rear axles are not less than ninety-six inches apart, or with eight wheels and with eight wheels and with four axles when the second and third axles are not less than ninety-six inches apart; and no vehicle or other object or contrivance for moving loads which has a total weight
including any load thereon in excess of 17,000 pounds shall be operated or moved upon the above described improved county highway unless upon stationery railes or tracks.

Any vehicle equipped with four wheels, all of which are cushion wheels running on improved county highway No. 76 may be operated upon said described improved county highway when the gross weight of such vehicle and load does not exceed 11,500 pounds.

SECTION III. Every person or persons, firm, corporation or association violating any of the provisions of this ordinance shall be guilty of a misdemeanor.

SECTION IV. This ordinance is passed and adopted by this Board of Supervisors in accordance with the provisions of Section 38 of the California Vehicle Act of 1923 by reason of the deterioration and ultimate destruction, unless such loads are reduced on said improved county highway No. 76, running from the westerly limits of the Town of Suisun City westerly to its intersection with the California State Highway at Coraelia in the County of Solano, State of California.

SECTION V. Any ordinance or any part thereof in conflict with any of the provisions of this ordinance are hereby repealed.

SECTION VI. This ordinance shall take effect thirty (30) days from and after its passage.

Passed and adopted at a regular session of the Board of Supervisors of Solano County this 6th day of July, 1925, by the following vote.

Ayes- Supervisors- Mayfield, McCormack, Schmeiser, Thornton and Fleming.

Noes- None.

Absent- None.

D. M. Fleming,
