AN ORDNANCE PROHIBITING THE USE OF CERTAIN COUNTY ROADS BY TRUCKS OF MORE THAN ONE TON CAPACITY.

THE BOARD OF SUPERVISORS OF THE COUNTY OF SOLANO DO ORDAIN AS FOLLOWS:

SECTION 1. ALABAMA STREET, TUXEDO STREET, EXCEMPTION, and COUNTY ROAD NO. 140, all in Vallejo Township and connecting the City of Vallejo with the new California State Highway, more commonly known as the American Canyon Highway, east of the City of Vallejo, are hereby closed to travel by trucks or more than one ton capacity.

From and after the date of the passage of this ordinance, it shall be unlawful for any person, firm or corporation, to drive or operate, or cause to be driven or operated on any of the above enumerated roads, any trucks of more than one ton capacity.

SECTION 2. VALLEJO AVENUE AND TNRSIBBE STREET EXTENSION, being roads within the Township of Vallejo, serving the same area as the roads above enumerated, are hereby designated as roads over which trucks of more than one ton capacity may be driven.

SECTION 3. The Supervisor of Supervisorial District No. 1 in Solano County, is hereby authorized and directed to erect and maintain suitable signs at the entrance to and along said roads, advising the traveling public of the provisions of this ordinance.

SECTION 4. Violation of the foregoing ordinance or any of its provisions shall constitute a misdemeanor and shall be punishable by a fine not to exceed five hundred dollars or by imprisonment in the county jail not to exceed six months, or by both such fine and imprisonment.

This ordinance is hereby declared to be an urgency measure and shall take effect and shall be in full force and effect immediately upon its adoption.

The conditions constituting said urgency are as follows:

The above described State Highway will in the near future be open for public traffic and said streets upon which heavy traffic is prohibited as herein provided are natural feeders to said State Highway. Said streets, however, were never designed nor built to withstand heavy traffic, all of them pass through heavily populated residential districts and through areas where school children are at play. If heavy truck traffic is permitted over said roads, they will be immediately damaged beyond the possibility of repair, except at great expense to the county, the lives, health and safety of children will be in danger, and the residents of said district will be annoyed at night with heavy traffic.

IT IS Declared that this ordinance shall be published in VALLEJO TIMES HERALD, a newspaper of general circulation printed and published in said County of Solano, within fifteen days from and after its passage.

The foregoing Ordinance was passed and adopted by the Board of Supervisors of the County of Solano at a regular meeting of said Board of Supervisors held on the 2nd day of November 1930, by the following vote:

ANNUITY: None.

Attest:

C. E. Schmeiser,
