ORDINANCE AMENDING CHAPTER 5, RELATING TO THE FUNDING OF THE PUBLIC ART PROGRAM

The Solano County Board of Supervisors ordains:

Chapter 5 is amended as follows:

Section 1. Section 5-5 is repealed.

Section 2. Section 5-5 is added to read:

Sec. 5-5. Funding

All appropriations for county capital projects with construction costs in excess of one million dollars ($1,000,000), including all bond projects and other capital projects, shall include a budget for public art which represents at least one and one half (1 and ½) percent of the construction cost at the time of the initial construction contract award. Capital construction projects excluded from the Public Art Program include maintenance projects. These funds shall be deposited in the Public Art Fund established by the auditor-controller. The amount to be appropriated shall be based on the total capital project appropriation, including construction costs, architect and engineering fees and site work, less costs for property acquisition and preparation, unless otherwise prohibited by law or by the terms of any grant. The funding requirement may also be waived by the Board of Supervisors.

Section 3. This ordinance shall take effect thirty (30) days after its adoption.

Section 4. A summary of this ordinance will be published within fifteen (15) days after its adoption in the Fairfield Daily Republic, a newspaper of general circulation in Solano County.
