ORDINANCE NO. 184
AN ORDINANCE GOVERNING DISH WASHING AND
SANITIZATION IN PUBLIC PLACES.

THE BOARD OF SUPERVISORS OF THE COUNTY OF SOLANO DO ORDAIN AS FOLLOWS:

SECTION 1.
All dishes, glasses and utensils used for and in service of the public for human consumption of food and drink in the County of Solano, shall be washed and sanitized by the person, firm or corporation so serving the public, in accordance with the rules and regulations prescribed by this ordinance, as follows, to wit:

a. All, except single service, drinking glasses, dishes, silverware, and other utensils used at places dispensing food or drinks shall be washed after each service until clean to the sight and touch in warm water (minimum temperature of 120° F.) containing soap or alkali cleanser.

b. After such washing, all such glasses, dishes, silverware, and other utensils shall be subject to one of the following processes: (a) Immersion for at least five minutes to the bactericidal action of water heated to a minimum of 170° F. (b) Exposure for at least five minutes to live steam in a closed compartment. (c) Immersion in a solution of water to which has been added an approved chlorine preparation. Said solution to contain 200 parts per million of available chlorine at the time it is prepared, and shall be maintained at not less than 100 parts per million of available chlorine at all times that said solution is in use. (d) The health department may give its written permit to the use of other equally effective methods of treatment.

c. After such immersion or other approved method of sanitization, such glasses, dishes, silverware and other utensils shall be stored in such a manner as to be free from flies, dust, and contamination.

d. In lieu of the above requirements, single-service cups and other utensils made of wood or paper, and used for one service only, shall be permitted, and shall be so stored until used as to be kept free from flies, dust, and other contamination.

SECTION 2.
All such dishes, glasses and/or utensils used in the preparation, service and/or sale of any food or drink for human consumption in Solano County shall be washed and sanitized after each separate use, and stored and kept in accordance with the rules and regulations adopted by the Solano County Health and Institutions Commission, subject to the provisions hereinafter contained.

The use of individual paper service utensils, so stored as to be kept free from contamination, and for one service only, will conform to the requirements of the said health department.

Provided, however, that any rules and regulations so adopted, shall not conflict with any of the express provisions of this ordinance, and shall not be effective, until notice thereof shall have first been given to all persons affected thereby.
SECTION 3.

It shall be the duty of the Director of Public Health and Institutions of the County of Solano, his agents and employees to enforce the provisions of this ordinance.

SECTION 4.

Any person, firm or corporation violating any of the provisions of this ordinance, or any regulation duly adopted by said Solano County Health and Institutions Commission, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not exceeding $100.00, and in the default of the payment of such fine, by imprisonment in the County Jail of the County of Solano at the rate of one day for each two dollars of such fine.

SECTION 5.

This ordinance shall be published once in Vallejo Evening News, a newspaper of general circulation, printed and published in the County of Solano, within fifteen days after the date of its adoption.

ATTEST:
