State Highway Route 208, formerly the Sears Point Toll Road, has been acquired by the State of California and has been made a free public highway. Elimination of tolls on said highway has resulted in a large increase in traffic thereon, and because of the narrowness of the roadbed, lack of adequate shoulders, and the existence of deep borrow pits immediately adjacent to the surfaced roadway, the stopping, parking, or standing of vehicles on said highway is a hazard to travel thereon. The safety of the traveling public requires that such stopping, parking, or standing of vehicles be prohibited. It is imperative that this ordinance take effect immediately upon its passage, approval and publication, for which reason this ordinance shall go, and it is hereby ordered that it go into full force and effect immediately upon its passage.
