AN ORDINANCE ADOPTING DISTINCTIVE MARKING INDICATING NO DRIVING TO THE LEFT THEREOF.

The Board of Supervisors of the County of Solano do ordain as follows:

That the Department of Public Works of the State of California, by virtue of the provisions of Section 525 of the Vehicle Code, having heretofore determined and ordered that the distinctive roadway marking hereinafter described, consisting of the double line now in use on State Highways, be adopted for use on state highways to indicate no driving over such marking, such marking is hereby designated as being applicable to all streets roads and highways under the jurisdiction of the County of Solano.

Said marking consists of two white stripes, or of one white stripe and one yellow stripe, painted on the roadway, each stripe three inches wide, and the two stripes separated by a three inch black stripe, except that where one yellow stripe is used, driving over the double line by traffic proceeding on the same side of the highway as said yellow stripe shall not be prohibited by reason of said distinctive marking.

The purpose of the combination of the white and yellow stripes is to require driving to the right of the distinctive marking by traffic proceeding in one direction but not by traffic proceeding in the opposite direction.

The three inch black stripe above referred to may be obtained either by painting or by the effect of bituminous pavements.

Signs shall not be required in connection with said distinctive markings.

The County Surveyor is hereby authorized to place such distinctive marking on any portion of the roads, highways or streets under his jurisdiction where the volume of traffic or the vertical or other curvature of the roadway renders it hazardous to drive on the left side of such marking or signs and markings.

Any person who drives to the left of any such marking, except as hereinafter provided, is guilty of a misdemeanor.

This ordinance shall be published once on or before the eighth day after its passage in Solano Republican, a newspaper printed, published and circulated in the County of Solano, and shall be in full force and effect thirty days after its passage.
