ORDINANCE NO. 226

AN ORDINANCE ESTABLISHING WEIGHT LIMIT ON PORTION OF COUNTY ROAD NO. 140, IN VALLEJO TOWNSHIP, COUNTY OF SOLANO, STATE OF CALIFORNIA.

THE BOARD OF SUPERVISORS OF THE COUNTY OF SOLANO DO ORDAIN AS FOLLOWS:

SECTION 1. The gross weight of any vehicle and load on that portion of County Road No. 140, leading from California State Highway Route 208, north to the Solano County boundary line in Vallejo Township, County of Solano, State of California, which is an unimproved county highway and not an improved county highway as defined by Subdivision (b), Section 714, of the Vehicle Code of California, is hereby limited to and shall not exceed three tons, and it shall be unlawful for any person to operate or cause to be operated on the said portion of said county highway, any vehicle, the gross weight of which, including its load, shall exceed such weight.

SECTION 2. It is hereby ordered that signs indicating the weight limitations hereby fixed shall be erected at all entrances to the said portion of said county highway hereinafore described and designated, upon which the permissible gross weight is limited by this ordinance, and the Supervisor of the District wherein the same is situated is hereby authorized and directed to cause such signs to be erected in the form and manner prescribed by law.

SECTION 3. After the installation of said signs provided for by Section 2 of this ordinance, any person violating the provisions hereof shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding one hundred dollars, or in default of the payment thereof, by imprisonment in the County Jail at the rate of one day for each $2.00 of such fine.

SECTION 4. This ordinance is required for the immediate preservation of the public health and safety, and shall take effect immediately upon its passage. The following is a statement of fact constituting such urgency: That portion of County Road No. 140 covered by this ordinance, serves as a means of ingress and egress to and from a large United States Housing Project located contiguous to the westerly boundary of said road, and said road is at the present time being damaged by heavy traffic to the extent that unless it be protected, it will presently be damaged beyond repair. That if said county road is damaged to the extent that it becomes difficult or impossible to travel, many hundreds of employees of the United States Navy Yard at Mare Island will be unable to enter or leave their homes except by making a long detour.

SECTION 5. This ordinance shall be published once on or before the eighth day after its passage in Vallejo Times-Herald, a newspaper printed, published and circulated in the County of Solano.

George C. Demmon
Chairman of the Board of Supervisors of the County of Solano, State of California.

ATTEST:
