ORDINANCE NO. 203

The Board of Supervisors of the County of Solano, State of California, does ordain as follows:

Section 1. All inflammable liquids intended for use in motor vehicles, or in heating and cooking stoves, sold at retail to the public in the County of Solano, shall be dispensed and delivered to the purchaser from dispensing devices only by the operators of such devices personally, their employees or authorized representatives, and when unattended by such operators, employees or authorized representatives, all pumps, containers and other devices and facilities used for the delivery of such inflammable liquids to the public for retail sale thereof shall be locked, or else other effective provision shall be made to prevent public access or use of such devices, containers and facilities so as to prevent the taking therefrom of such inflammable liquids.

Section 2. Any person violating the provisions of this ordinance shall, upon conviction thereof, be deemed guilty of a misdemeanor, and shall be punished by a fine not exceeding $300.00.

Section 3. This ordinance is hereby declared to be an urgency measure for the immediate preservation of the public health and safety, and shall take effect and be in force immediately upon its passage and adoption, and shall be published one time on or before the eighth day after its passage in VALLEJO MORNING TIMES-HERALD, a newspaper of general circulation printed and published in Solano County. The conditions constituting such urgency are as follows:

It has come to the attention of this Board that certain persons propose and intend, and are preparing to, install in the immediate future, in the unincorporated areas of Solano County, automatic vending machines for the retail sale of such inflammable liquids unattended by any human operator, which in some cases are self serving by the patron without supervision by any trained and responsible human operator, and in others will, upon the insertion of coin in a slot, deliver such inflammable liquids to the public, out of the presence of any trained and responsible human operator, so that in either and both such cases such inflammable liquids are delivered under such conditions that fire and other damage may result, and persons and property thereby damaged. The immediate adoption of this ordinance is therefore necessary in order to protect the public health, safety and general welfare in Solano County.

Attest:

FRANK O. BELL
Chairman of the Board of Supervisors of the County of Solano, State of California.

LEWIS MORRILL (SEAL)
Clerk of said Board

* * * * * *

I, LEWIS MORRILL, County Clerk of Solano County, and ex-officio Clerk of the Board of Supervisors of said County, do hereby certify that the above and foregoing Resolution was regularly introduced, passed and adopted by said Board at a regular meeting thereof held June 7, 1948, by the following vote:

AYES: Supervisors Brown, Morrison, Mowers and Bell.
NOES: None.
ABSENT: Supervisor Rule.

WITNESSES my hand and the Seal of said Board this 7th day of June, 1948.

LEWIS MORRILL (SEAL)
Clerk
