AN ORDINANCE OF THE COUNTY OF SOLANO, STATE OF CALIFORNIA, REGULATING THE PRODUCTION, PROCESSING AND SALE OF MILK AND OTHER FLUID DAIRY PRODUCTS AND PROVIDING A PENALTY FOR THE VIOLATION THEREOF.

The Board of Supervisors of the County of Solano, State of California, do ordain as follows:

SECTION 1. It shall be unlawful for any person, firm or corporation to sell, offer for sale, distribute or possess for sale, distribute or possess for sale or distribution, any milk, low fat milk, nonfat milk, concentrated milk, half and half, or cream for human consumption as such within the County of Solano, unless such products conform to the standards and requirements for the production, processing and sale of milk, low fat milk, nonfat milk, concentrated milk, half and half, or cream, as provided by Division IV of the Agricultural Code of the State of California, and amendments thereto, and the rules and regulations of the State Department of Agriculture for its enforcement and such other requirements as may hereafter be provided by due process of legislative enactment or administrative procedure.

SECTION 2. It shall be unlawful for any person, firm or corporation or the agent of any person, firm or corporation to sell, offer for sale, distribute, or have in possession for distribution within the County of Solano any milk, low fat milk, nonfat milk, concentrated milk, half and half, or cream, for consumption as such until a permit has been granted by the Health Department of said County, permitting such person, firm or corporation to sell, offer for sale, distribute or have in possession for sale or distribution such milk, low fat milk, nonfat milk, concentrated milk, half and half, or cream, within the County of Solano. Such permit may be granted at any time during the calendar year and shall remain in force until the expiration of the calendar year in which the same is granted, unless suspended or revoked for cause, and no fee or charge shall be made for granting of the permit. Said permit shall be applied for in writing and upon a form supplied for that purpose by the County Health Officer, and all information required and so indicated on said form shall be given by the applicant in writing therein.

SECTION 3. Every milk plant under the jurisdiction of the milk inspection service of the County of Solano shall pay to the County Health Department a fee in an amount equal to either $.0015 (1.5 mills) per gallon of market milk received at the established place of business of said milk plant or ($35.00) thirty-five dollars, whichever is greater, each month. Every milk plant, whether or not such plant is under the jurisdiction of the milk inspection service of the County of Solano, shall pay to the County Health Department a fee of ($16.00) sixteen dollars per month for each dairy farm within the designated milk inspection area of the County of Solano from which market milk is received, provided however, that where such dairy farm delivers to more than one milk plant, the fee shall be proportioned on an equitable basis. Such inspection fees shall be adjusted from time to time by the County Health Department, with the approval of the County Board of Supervisors by minute order so that the revenues from the fees shall not exceed the actual cost of making the necessary inspections. Nonpayment of any delinquent inspection fees shall constitute cause for suspension or revocation of any permit issued under this ordinance. Any inspection fees as required by this section which become delinquent shall have added thereto a penalty equal to (5%) five percent of the delinquent fees.

SECTION 4. The County Health Officer, upon notice and hearing, and upon findings that the standards of grading and the requirements for the production of milk, low fat milk, nonfat milk, concentrated milk, half and half, and cream, herein established have been violated, may suspend or revoke such permit.

SECTION 5. Any person, firm or corporation or agent or employee of any person, firm or corporation violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than ($25.00) TWENTY-FIVE DOLLARS, nor more than ($500.00) FIVE HUNDRED DOLLARS, or by imprisonment in the County Jail for not less than ten (10) days nor more than ninety (90) days, or by both such fine and imprisonment.
ORDINANCE 568 cont'd

SECTION 6. This Ordinance shall be enforced by the County Health Officer.

SECTION 7. This Ordinance shall in effect repeal any existing Ordinances relating to the inspection of market milk dairy farms, market milk plants and milk products.

SECTION 8. This Ordinance shall be in full force and effect on the first day of January, 1965.

SECTION 9. Within 15 days after the passage of this Ordinance it shall be published with the names of the members of the Board of Supervisors voting for and against the same at least once in the TIMES HERALD, A NEWSPAPER OF GENERAL CIRCULATION PRINTED AND PUBLISHED in the County of Solano, State of California.
