ORDINANCE NO. 33

AN ORDINANCE ADDING SECTIONS TO THE SOLANO COUNTY CODE PERTAINING TO THE ASSESSMENT OF ENVIRONMENTAL IMPACT

The Board of Supervisors of the County of Solano does ordain as follows:

Section I.

Subsection (f), (1) is added to Section 28-24 of Chapter 28 of the Solano County Code to read as follows:

(f) Action time extensions for Environmental Impact Evaluation

(1) Any provision in this chapter which provides for a specific period of time within which a county agency, commission, employee, or officer must act on an application for a permit, or other entitlement, required by this chapter shall not be applicable if compliance with the California Environmental Quality Act reasonably requires a longer period of time to assess the environmental impact of the project for which the entitlement is sought.

Section II.

Section 26-17 is added to Article 1 of Chapter 26 of the Solano County Code, to read as follows:

Any provision of this Article which provides for a specified period of time within which action must be taken in regard to a subdivision shall not be applicable if compliance with the California Environmental Quality Act reasonably requires a longer period of time to assess the environmental impact of the subdivision.

Section III.

Section 26-32 is added to Article II of Chapter 26 of the Solano County Code to read as follows:

Any provision of this Article which provides for a specified period of time within which action must be taken in regard to a land division shall not be applicable if compliance with the California Environmental Quality Act reasonably requires a longer period of time to assess the environmental impact of the land division.

Section IV.

This ordinance shall be published once before the expiration of 15 days after its passage in the Valley Times Herald, a newspaper of general circulation printed and published in the County of Solano. This ordinance shall be in full force and effect immediately as being necessary to the immediate preservation of the public peace, health, and safety, in that the County of Solano has adopted or will adopt, pursuant to Public Resources Code Section 21082, a resolution establishing local guidelines implementing the California Environmental Quality Act. Such guidelines shall be effective on April 5, 1973, and provide for extensive and time-consuming environmental investigation of projects prior to public approval. The immediate effectiveness of this ordinance is necessary to afford sufficient time to comply with such Act and local guidelines.

ATTEST:

ROBERT H. SCOFIELD, Chairman of the Solano County Board of Supervisors, State of California

NEIL CRAWFORD, County Clerk
and ex officio Clerk of the Board of Supervisors
