Ordinance No. 121

An ordinance approving the assessment roll of property benefited by improvement and repair of sidewalks described in Ordinance No. 118, and declaring a lien.

Be it ordained by the council of the Town of Kent

Sec. 1 - The assessment roll of the property benefited by the improvement and repair of certain sidewalks as described in ordinance No. 118, having been duly considered and there being no objections to the improvements and repairs, and the council having considered the amount of costs assessed against each of said lots separately, in proportion to the benefits to the property benefited, the assessment roll is approved.

Section 2 - A lien is hereby declared on the lots assessed according to said assessment roll for the amount thus assessed, which said lien shall take precedence of all other liens.

Section 3 - The assessment shall be due and collectible at any time within thirty days after this ordinance goes into effect, but if not paid by the last day of said thirty days then the assessment shall be delinquent and thereafter it shall bear interest at eight per cent per annum and a penalty of five per cent.
Section 4. The city treasurer shall proceed to the collection of said assessment and a copy of the roll showing the property upon which said assessment remains unpaid shall be filed with the County Treasurer.

Passed the council this 1st day of June, 1902
Approved by me this 5th day of June, 1902.
