Ordinance No. 142.

An ordinance authorizing, confirming and ratifying a contract with Puget Sound Electric Railway for lighting the streets and public places of the Town of Kent.

Be it Ordained by the Council of the Town of Kent:

Section 1. That the following written agreement with Puget Sound Electric Railway for lighting the streets and public places of the Town of Kent, and the execution thereof by the Mayor and Town Clerk, is hereby authorized, confirmed and ratified, namely:

This Agreement, made this 4th day of January 1904, by and between the Town of Kent, a municipal corporation in King County, State of Washington, hereinafter called said Town, party of the first part, and the Puget Sound Electric Railway, hereinafter called the Company, party of the second part,

Witnesseth:

First: The Company hereby agrees, in consideration of the agreements and promises of said Town, hereinafter contained, to furnish for the use of said Town, for a period of three years from the date of this agreement, the street lights in the condition of operation by the Company, for lighting the streets and public places of said Town, and in addition thirty such number of six (6) ampere arc lamps, such number of four (4) ampere arc lamps, such number of thirty-two (32) candle power incandescent lamps, and such number of sixteen (16) candle power incandescen-
different lamps as said Town may require for further lighting the streets and public places of said Town, said additional lights to be installed at such points in streets and public places of said Town as said Town may elect, said Town to pay for all of said lights at the following rates:

For six (6) amperes incandescent lamps, eight dollars ($8.00) per month; for four (4) amperes incandescent lamps, seven dollars ($7.00) per month; for thirty-two (32) candle-power incandescent lamps, one dollar and seventy-five cents ($1.75) per month; for six times (16) candle-power incandescent lamps, one dollar ($1.00) per month.

said Town agrees to use said lights until the expiration of said period of three years from the date of this contract, and to pay the Company therefor at the rates aforesaid, but said Town may from time to time discontinue the use of one or more lights on thirty (30) days written notice to the Company provided that said Town shall at all times during the period of this contract, keep enough lights lighted continuously with electric current of such regulation as can be accomplished with a well designed transmission system during the entire night time of each
