Ordinance No. 147.

An ordinance prescribing a system for numbering buildings in the Town of Kent.

Be it ordained by the Council of the Town of Kent as follows.

Sec. 1. That the initial points and streets for the numbering of the buildings fronting on the streets of the Town of Kent and from which the numbering of the same shall commence shall be and are hereby established as follows.

For all streets extending in a northerly and southerly direction between the north and south boundaries of the Town of Kent, the initial point shall be Gode Street, and Gode Street extending due easterly and westerly from the intersection with First Street in the Town of Kent.

For all streets running easterly and westerly between the east and west boundaries of the Town of Kent the initial point shall be First Street in said Town.

Sec. 2. That all streets south of Gode Street shall have the letter "S" as
a suffix to their names and all streets north of Gowe Street shall have the letter "N" as a suffix to their names.

All streets west of First Street shall have the letter "W" as a suffix to their names and all streets east of First Street shall have the letter "E" as a suffix to their names.

Dec. 3.

That the numerical designation of all doorways and entrances to buildings, lots, yards and grounds fronting upon each of the streets of the Town of Kent shall run from said initial point or street to (as the case may be) one and one hundred (100) numbers is hereby allotted to each block and one whole number is hereby allotted to each thirty (30) feet frontage in each block and where there shall be more than one doorway or entrance within such thirty (30) feet, half numbers shall be used, and only even numbers shall be placed on the north side of streets extending in an easterly and westerly direction and on the east side of streets extending in a northerly and southerly direction and only odd numbers shall be
placed on the south side of streets extending in an easterly and westerly direction, and on the west side of streets extending in a northerly and southerly direction.

Dec. 4.

This ordinance shall be in force and effect from and after its passage, approval and publication.

Passed Sept. 6th. 1904
