ORDINANCE NO. 1525

AN ORDINANCE of the City of Kent, Washington, regulating the installation of electrical or communication facilities.

THE CITY COUNCIL OF THE CITY OF KENT, WASHINGTON, DO

ORDAIN AS FOLLOWS:

Section 1. All wires, cables, or any other electrical and communication facilities installed to the use or occupancy of any real property within the City Limits of Kent, Washington, after effective date of this Ordinance, shall be underground.

A. Exclusions: Electric utility sub-stations, pad-mounted transformers and switching facilities not located on the public right-of-way.

B. Exclusions: Electric transmission systems of a voltage of 50,000 volts or more.

C. Exclusions: Ornamental street lighting standards.

D. Exclusions: Telephone pedestals and other equivalent communication facilities.

E. Exclusions: Police and fire sirens, or any similar municipal equipment, including traffic control equipment.

Section 2. Owners developing real property, and whose intent it is to dedicate new streets to the City shall be required to install adequate underground street lighting systems which conform to specifications set forth by the City Engineer.

A. Exclusion: Projects that have been approved prior to the passage of this Ordinance are exempt for a period of six months.

Section 3. Effective date of Ordinance.

A. This Ordinance shall take effect and be in force five (5) days from and after its passage, approval and publication, as provided by law, for any new development filed with the City Engineer.

B. This Ordinance shall take effect and be in force without exclusion six (6) months after passage.

ALEX THORNTON, MAYOR
Attest:

MARIE JENSEN, City Clerk

Approved as to form:

JOHN B. BERGTER, City Attorney

Passed the [day of] [month], 1968.
Approved the [day of] [month], 1968.
