Ordinance No. 186

An ordinance of the Town of Kent, requiring the owner of property in the town of Kent, to repair property that is in danger of fire because of defective condition of the same.

BE IT ORDAINED BY THE COUNCIL OF THE TOWN OF KENT:

Section 1. When any building in the Town of Kent, shall be in danger of being set on fire because of defective construction, or defective not necessary to its construction, condition, or because of moss or other combustible substance upon the roof or other portion thereof, the chief of the fire department shall notify the owner or his agent in writing specifying wherein such building is unsafe or defective or wherein such danger lies, and requiring him to make such repairs or change in the conditions, and remedy such defects as the said notice may provide, and if such owner or agent shall fail or neglect to proceed at once to repair and better the condition of such building as in said notice directed, the said owner or agent shall be subject to a fine of not less than five dollars and not more than twenty-five dollars, for each and every day such violation shall continue after five days from the date of service of such notice.

Section 2. This ordinance shall be in force from and after its passage approval and publication.

Passed Aug. 17th, 1908
