ORDINANCE NO. 1954

AN ORDINANCE of the City of Kent, Washington, amending Ordinance 1777, Section 8 as amended by Ordinance 1901, Section 2.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF KENT, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Section 8 of Ordinance 1777 as amended by Section 2 of Ordinance 1901 which reads as follows:

"Section 8. PERMIT TO OWNER, AGENT, OR OCCUPANT TO CONSTRUCT, EXTEND OR REPAIR SEWER ON PRIVATE PROPERTY.

It shall be unlawful for any person to construct, extend, relay, repair or make connections to a private or lateral sewer on private property without obtaining a permit therefore as herein provided and filing a scale drawing showing the location thereof.

The Department of Public Works may issue a permit to the owner of any property to construct, extend, relay, repair or make connections to a lateral or private sewer inside of the owner's property line; provided, that such owner shall comply with the applicable provisions of this Ordinance. Said permit shall not become effective until the installation is completed to the satisfaction of the Superintendent. He shall be allowed to inspect the work at any stage of construction and, in any event, the applicant for the permit shall notify the Superintendent when the work is ready for final inspection, and before any underground portions are covered. The inspections shall be made within seventy-two (72) hours after the receipt of written notice directed to the Superintendent. Work shall be done by the owner or a licensed contractor.

Nothing in this Section shall prevent a property owner from installing a side sewer from stub to building if the side sewer and connection are within his property and approval of the Sewer Superintendent has been obtained."

is hereby amended to read as follows:

"Section 8. PERMIT TO OWNER, AGENT, OR OCCUPANT TO CONSTRUCT, EXTEND OR REPAIR SEWER ON PRIVATE PROPERTY.

It shall be unlawful for any person to construct, extend,
relay, repair or make connections to a private or lateral sewer on private property without obtaining a permit therefor as herein provided and filing a scale drawing showing the location thereof.

The Department of Public Works may issue a permit to the owner of any property to construct, extend, relay, repair or make connections to a lateral or private sewer inside of the owner's property line; provided, that such owner shall comply with the applicable provisions of this Ordinance. Said permit shall not become effective until the installation is completed to the satisfaction of the Superintendent. He shall be allowed to inspect the work at any stage of construction and, in any event, the applicant for the permit shall notify the Superintendent when the work is ready for final inspection, and before any underground portions are covered. The inspection shall be made within seventy-two (72) hours after the receipt of written notice directed to the Superintendent. Work shall be done by the owner or a licensed contractor."

Section 2. This Ordinance shall take effect and be in force five (5) days from and after its passage, approval and publication, as provided by law.

ISABEL HOGAN, MAYOR

ATTEST:

MARIE JENSEN, CITY CLERK
