ORDINANCE NO. 208

An ordinance of the City of Kent, declaring the intention of the City Council to improve certain streets and alleys by placing sewers therein, describing the improvement, adopting plans and specifications therefor and fixing a time for filing objections with the City Clerk.

THE CITY COUNCIL OF THE CITY OF KENT DO ORDAIN AS FOLLOWS:

Section 1. The City Council of the City of Kent, does hereby declare its intention of making improvements as in this ordinance named and described, in upon, across and along the streets and alleys and portions of streets and alleys hereinafter mentioned, as follows:

Beginning at the intersection of Shinn Avenue and Second Street run south from the Shinn Avenue Trunk Sewer, 514 feet along Second Street, with a 14 inch sewer pipe to Harrison Street, thence south along Second Street 240 feet with a 10 inch sewer pipe to Meeker Avenue, thence east 161 feet with an eight inch sewer pipe to the alley between First and Second Streets, thence south along said alley 243 feet to Gowe Street, thence east along said Gowe Street 161 feet to the center of First Street, thence south on First Street 1115 feet to Willis Street, also;

Beginning at the intersection of Meeker Avenue with Second Street run south on Second Street 1368 feet with an 8 inch pipe to Willis Street, also;

Beginning at the intersection of Fourth Street and Shinn Avenue run south on Fourth Street with a ten inch pipe sewer, 532 feet to the intersection of Fourth Street and Meeker Avenue, thence south on Fourth Street with an inch sewer pipe 1368 feet to the north side of Willis Street, also;

Beginning at the intersection of Fourth Street with the alley between Shinn Avenue and Harrison Street, run thence east on said alley with an eight inch sewer pipe 611 feet to the west side of Meeker Avenue, also;

Beginning at the intersection of Fourth Street and Harrison Street run east along Harrison Street with an eight inch sewer pipe to the west line of Second Street, also;

Beginning at the intersection of Fourth Street with Meeker Avenue run east along Meeker Avenue with an eight inch sewer pipe 611 feet to the west line of Second Street, also;

Beginning at the intersection Fourth and Gowe Streets run east on Gowe Street with an eight inch sewer pipe 611 feet to the west line of Boschard Street, also;

Beginning at the intersection of Third and Gowe Streets, run south on Third Street with an eight inch sewer pipe 1115 feet to the north line of Willis Street, also;

Beginning at the intersection of Gowe Street with the alley between First and Second Streets, run south along said alley with an eight inch sewer pipe 593 feet to the north line of Titus Street, also;

all of which improvement shall be in accordance with and conform to the plans and specifications thereof, which are on file in the office of the City Clerk, marked, "Filed Nov. 15, 1909", which plans and specifications are hereby approved and adopted.
Section 2. That the estimated cost of the said improvement is the sum of $7,510.75, and the whole of the said improvement is for the exclusive and special benefit of the property abutting upon or approximate thereto, and no part or portion of the improvement is a main or trunk sewer.

Section 3. The entire cost and expense of the said improvement is to be assessed upon and against the property abutting upon and approximate thereto and benefitted thereby.

Section 4. The boundaries of the property abutting upon or approximate to the said improvement, to be benefitted thereby are fixed and determined by the City Council as follows:

Beginning at the north west corner of lot nine in block sixteen of Yeager's First Addition to Kent, run thence east along the south marginal line of Shinn Avenue to the north east corner of lot nine in block four of said addition, thence south to the south east corner of lot sixteen in said block four, thence east to the South east corner of lot one in said block four, thence south to the north east corner of lot six in block three of said addition, thence east along the South line of Gowe Street to an intersection with the west line of the right of way of the Northern Pacific Railway, thence south along the west line of said right of way to the north line of Willis Street, thence west along the north line of Willis Street to the south west corner of lot two in block twenty of said addition, thence north to the north west corner of lot six in block eighteen in said addition, thence in a straight line to the south west corner of lot ten in block fifteen of said addition, thence north to the point of beginning.

Section 5. The time for filing protests against the said improvement with the City Clerk is fixed as follows:

Monday December 20th, A.D. 1909, at the noon hour.

Passed the Council December 30th, 1909.

Approved Dec. 7th. 1909

Mayor.

Attest, L. E. Price
City Clerk.

Published December 9th, 1909.
