THE CITY COUNCIL OF THE CITY OF KENT, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. The City Council of the City of Kent, Washington, hereby orders the improvement of a portion of King County by the installation of 10 inch water mains more fully described in Exhibit "B" attached hereto and by this reference made a part hereof.

All of the foregoing shall be in accordance with the plans and specifications therefore prepared by the City's Consulting Engineer.

The City reserves the right to make changes in such improvement as long as such changes do not materially affect the purpose of the improvement.

Section 2. There is hereby created and established a local improvement district to be called "Local Improvement District No. 302 of the City of Kent, Washington", which district is described in Exhibit "A" attached hereto and by this reference made a part hereof.

Section 3. The total estimated cost and expense of the improvement is hereby declared to be Eighty Nine Thousand, Eight Hundred Fifty-Seven Dollars ($89,857.00) which shall be borne by and assessed against the property specially benefited by the improvement to be included in a local improvement district to be established embracing as near as may be all property specially benefited by the improvement.
Section 4. In accordance with the provisions of RCW 35.44.047, the City may use any method or combination of methods to compute assessments which may be deemed to fairly reflect the special benefits to the properties being assessed.

Section 5. Local improvement district warrants shall be issued in payment of the cost and expense of the improvements herein ordered to be assessed, such warrants to be payable out of the "Local Improvement Funds, District No. 302", hereinafter created and referred to as the "Local Improvement Fund", to bear interest from the date thereof at a rate to be hereafter fixed by ordinance not to exceed the limit which by law the City may legally pay and to be redeemed in cash, and/or by local improvement district bonds, or note in lieu of bonds, herein authorized to be issued, such interest-bearing warrants to be hereafter referred to as "Revenue Warrants." The City is authorized to issue local improvement district bonds or note in lieu of bonds for the district which shall bear interest at a rate to be hereafter fixed by ordinance, shall be payable on or before twelve (12) years from the date of issuance, the life of the improvement ordered being not less than the term of the bonds, and shall be issued in exchange for and in redemption of any and all revenue warrants issued hereunder and not redeemed in cash within a period of not to exceed sixty (60) days after the first publication by the Supervisor of Treasury Accounting of notice that the assessment roll for Local Improvement District No. 302 is in her hand for collection. The bonds or note in lieu of bonds shall be redeemed by the collection of special assessment to be levied and assessed against the property within the district, payable in ten (10) equal installments, with interest at a rate to be hereafter fixed by ordinance not to exceed the limit which by law the City may legally pay, under the mode of "payment of bonds", or "note in lieu of bonds", as defined by law and the ordinances of the City. In the case of default in payment of any assessment when the same shall become due, there shall be added interest at a rate to be hereafter fixed by ordinance not to exceed the limit which by law the City may legally collect and a penalty of 8% which shall also be collected. The exact form, amount, date interest rate and denominations of the revenue warrants and local improvement district bonds shall be hereafter fixed by ordinance of the City Council. The warrants and bonds shall be sold in such manner as the City Council shall hereafter determine.
Section 6. All work necessary to be done in connection with the making of the improvement shall be done by and made by contract upon competitive bids and the City shall have and reserves the right to reject any and all bids. The call for bids for work authorized pursuant to this Ordinance shall include a statement that payment for the work will be made in cash warrants drawn upon the Local Improvement Fund.

Section 7. There is hereby created and established in the office of the Supervisor of Treasury Accounting of the City of Kent, for the district, a special fund heretofore designated and referred to as the Local Improvement Fund, District No. 302, into which fund shall be deposited the proceeds from the sale of revenue warrants drawn against the fund which may be issued and sold by the City, and collection pertaining to assessments, and against which fund shall be issued cash warrants to the contractor or contractors in payment for the work to be done by them in connection with the improvement.
