ORDINANCE NO. 213

An ordinance repealing ordinance No. 213 of the City of Kent, and annulating and discontinuing all proceedings had or contemplated in Local Improvement Sewer District No. 101.

WHEREAS, upon the coming in of the assessment roll in the matter of Local Improvement Sewer District No. 101, it appearing to the satisfaction of the City Council of the said City that under the law the assessment of the costs and expenses of making the improvement contemplated cannot be made without great injustice to a large portion of the property owners in the said district, and that the assessment cannot be made in the said district as contemplated without many of the property owners being compelled to pay amounts greatly in excess of others who are equally benefitted, and that any assessment made in the district contemplated must be unequal, unjust and wholly inequitable, therefore:

THE CITY COUNCIL OF THE CITY OF KENT DO ORDAIN AS FOLLOWS:

Section 1. Ordinance No. 213 of the City of Kent creating Local Improvement Sewer District No. 101, shall be and is hereby repealed.

Section 2. All proceedings had thereunder are hereby annulled, and all proceedings hereafter contemplated under the said ordinance and under proceedings heretofore had in the said matter, shall be and are hereby discontinued, and no further proceedings shall be had in the said matter of Local Improvement Sewer District No. 101.
