An ordinance prescribing the materials and construction of sidewalks upon and along the north side of Hecquet Avenue from its intersection with First Street to its intersection with the east marginal line of the right of way of the Seattle-Tacoma Interurban Railway.

The City Council of the City of Kent do ordain as follows:

Section 1. From and after the date of the taking effect of this ordinance all renewals of existing sidewalks, and all new sidewalks constructed upon and along the north side of Hecquet Avenue between its intersection with First Street and its intersection with the east marginal line of the right of way of the Seattle-Tacoma Interurban Railway, shall be made of concrete, brick, flagstone, paving brick or other similar and equally good materials, at least eight feet wide, constructed under the supervision of the City Engineer, and in conformity with his instructions.

Section 2. Refusal to comply with the provisions of the preceding section in the renewal or construction of sidewalks along the portion of the street therein a part, shall be deemed a misdemeanor, and any person convicted thereof shall be fined in any sum not exceeding fifty dollars.

Passed the Council June 20th, A.D. 1910.

Approved this 21st day of June, A.D. 1910.
