ORDINANCE NO. 2367

AN ORDINANCE of the City of Kent, Washington, relating to underground utilities, amending subsection 7.10.12(4), Ordinance 1695, of the Kent City Code relating to underground electrical or communication facilities service connections.

THE CITY COUNCIL OF THE CITY OF KENT, WASHINGTON DO HEREBY ORDAIN AS FOLLOWS:

Section 1. Subsection 7.10.12(4), Ordinance 1695, of the Kent City Code is amended as follows:

"Service connections are facilities extending from a distribution system and terminating on private property to serve a customer or subscriber. Service connections:

a) Shall be underground, if the distribution system serving the customer or subscriber is underground.

b) Shall be underground if the distribution system serving the customer or subscriber is aerial, (but underground entrance facilities have been provided by the builder, customer, or subscriber in accordance with utility company requirements:) and the building, structure or facility to be served is new, single-family residential construction.

c) May be aerial, if the distribution system serving the customer or subscriber is aerial, (but underground entrance facilities have not been provided by the builder, customer or subscriber in accordance with utility company requirements:) and the building, structure or facility to be served is new construction under twenty thousand dollars ($20,000) in value.

d) May be aerial, if the distribution system serving the customer or subscriber is aerial, and the service request for building, structure or facility is the result of an addition, alterations or repair thereto under twenty thousand dollars ($20,000) in value.

e) Shall be underground, unless otherwise provided above.
Section 2. EFFECTIVE DATE. This ordinance shall take effect and be in force five (5) days from and after its passage, approval and publication as provided by law.
