Ordinance No. 2376

["Beginning July 1, 1998"]

(Amending or Repealing Ordinances)

Amended by Ord. 3694
ORDINANCE NO. 876

AN ORDINANCE relating to communication facilities; adding a new Section 7.10.14 to Chapter 7.10 Kent City Code to require cable television conduits to be laid underground at the same time as sewer or water utilities are installed to serve any residential development or building site.

THE CITY COUNCIL OF THE CITY OF KENT, WASHINGTON, DO HEREBY ORDAIN AS FOLLOWS:

Section 1. A new Section 7.10.14 is added to the Kent City Code as follows:

"7.10.14. CABLE TELEVISION CONDUIT.

1. When a developer and/or landowner extends sewer or water utility mains to serve a residential development or building site, Cable Television conduits shall be laid underground at the same time as those other utilities. This will include only the conduits needed for street crossings and for mainline distribution of cable TV throughout the development. All conduits ends shall be brought to each individual property line elbowed to the final ground elevation, and capped.

2. The developer and/or landowner shall absorb the cost required to install such cable TV conduit to each individual property line, this includes conduit, trenching and easements.

3. This section will preclude the necessity for disturbing streets, sidewalks and alleyways when CATV service connections are extended to serve any residential development or building site.

4. All conduit shall be installed according to CATV specifications, and with the approval of the Director of Public Works or his designee."

Section 2. This ordinance shall take effect and be in full force five (5) days after it publication as required by law.

PASSED by the City Council and approved by the Mayor at a regular meeting this 15 day of 1982.
