If any Bond is not redeemed upon proper presentment at its maturity date, the City shall be obligated to pay interest at the same rate for each such Bond from and after its maturity date until such Bond, both principal and interest, is paid in full or until sufficient money for such payment in full is on deposit in the bond redemption fund hereinafter created and such Bond has been called for payment.

The Bonds shall be issued only in registered form as to both principal and interest and recorded in the books and records maintained by the Bond Registrar (the "Bond Register"). The Bond Register shall contain the name and mailing address of the owner of each Bond and the principal amounts and numbers of Bonds held by each owner.

Upon surrender thereof to the Bond Registrar, the Bonds may be exchanged for Bonds in any authorized denomination of an equal aggregate principal amount and of the same interest rate and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Such exchange or transfer shall be without cost to the owner or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the fifteen days preceding any principal or redemption date.

Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be paid by check or draft mailed to the registered owners at the addresses appearing on the Bond
Register on the fifteenth day of the month preceding the interest payment date or, when requested in writing at least fifteen days preceding an interest payment date by a registered owner of at least $100,000 principal amount of Bonds, shall be paid on the interest payment date by wire transfer to the account identified by the requesting registered owner whose name, address and wire transfer account number appear on the Bond Register fifteen days preceding the interest payment date. Principal of the Bonds shall be payable upon presentation and surrender of the Bonds by the registered owners at either office of the Bond Registrar at the option of such owners.

The Bonds shall be issued without the right or option of the City to redeem the same prior to their respective maturity dates.

The City reserves the right and option to purchase any or all of the Bonds in the open market at any time at a price not in excess of par plus accrued interest to the date of such purchase.

Section 4. The City irrevocably pledges to levy taxes annually, for as long as any of the Bonds is outstanding, within the constitutional and statutory tax limitations provided by law without a vote of the electors of the City on all of the property in the City subject to taxation in an amount sufficient, together with other money legally available and to be used therefor, to pay the principal of and interest on the Bonds as the same shall become due, and the full faith, credit and resources of the City are pledged irrevocably for the annual levy and collection of those taxes and the prompt payment of that principal and interest.

Section 5. The Bonds shall be printed or lithographed on good bond paper in a form consistent with the provisions of this ordinance and state law, shall be signed by the Mayor and City
Clerk, both of whose signatures shall be in facsimile, and a facsimile reproduction of the seal of the City shall be printed thereon.

Only such Bonds as shall bear thereon a Certificate of Authentication in the following form, manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance:

CERTIFICATE OF AUTHENTICATION

This bond is one of the fully registered City of Kent, Washington, Limited Tax General Obligation Bonds, 1986, described in the Bond Ordinance.

WASHINGTON STATE FISCAL AGENCY
Bond Registrar

By ____________________________________________
Authorized Officer

Such executed Certificate of Authentication shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this ordinance.

In case either or both of the officers whose facsimile signatures appear on the Bonds shall cease to be such officer or officers of the City before the Bonds so signed shall have been authenticated or delivered by the Bond Registrar or issued by the City, such Bonds nevertheless may be authenticated, delivered and issued and upon such authentication, delivery and issuance, shall be as binding upon the City as though those whose facsimile signatures appear on the Bonds had continued to be such officers of the City. Any Bond also may be signed on behalf of the City by such persons as at the actual date of execution of such Bond shall be proper officers of the City authorized to execute bonds although on the original date of such Bond such persons were not such officers of the City.

Section 6. The Bond Registrar shall keep, or cause to be kept, at its principal corporate trust office, sufficient books
for the registration and transfer of the Bonds which shall at all times be open to inspection by the City. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance and City Ordinance No. 2418 establishing a system of registration for the City's bonds and obligations.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's Certificate of Authentication on the Bonds. The Bond Registrar may become the owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Bond owners.

Section 7. The Bonds shall be negotiable instruments to the extent provided by RCW 62A.8-102 and 62A.8-105.

Section 8. The City covenants that it will neither make nor permit any use of proceeds of the Bonds or other funds of the City at any time during the term of the Bonds which will cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the United States Internal Revenue Code of 1986 (the "Code") and applicable regulations promulgated thereunder. Further, the City covenants that, if all proceeds of the Bonds have not been spent within six months from the date of issuance of the Bonds, it will calculate, or cause to be calculated, and rebate to the United States all earnings from the investment of Bond proceeds that are in excess of the amount that would have been earned had the yield on such investments been equal to the yield on the Bonds, plus all income derived from such excess.
earnings, to the extent and in the manner required by Section 148 of the Code and such applicable regulations. In the event the City shall fail to meet the rebate requirements applicable to the Bonds under Section 148 of the Code, the City covenants that, to the extent permitted by that Section, it shall pay the penalty provided in Subsection 148(f)(7)(C) of the Code if required to prevent a loss of the tax exemption for interest on the Bonds.

The City has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the City is a bond issuer whose arbitrage certifications may not be relied upon.

Section 9. The City may issue advance refunding bonds pursuant to the laws of the State of Washington or use money available from any other lawful source to pay the principal of and interest on the Bonds, or such portion thereof included in a refunding or defeasance plan, as the same become due and payable and to redeem and retire or refund all such then-outstanding Bonds (hereinafter collectively called the "defeased Bonds") and to pay the costs of such refunding or defeasance. In the event that money and/or "government obligations," as such obligations are defined in Chapter 39.53 RCW, as now or hereafter amended, maturing at such time or times and bearing interest thereon, in amounts (together with such money, if necessary) sufficient to redeem and retire or refund the defeased Bonds in accordance with their terms, are set aside irrevocably in a special fund for and are pledged irrevocably to such redemption and retirement (hereinafter called the "trust account"), then all right and interest of the owners of the defeased Bonds in the covenants of this ordinance and, except as hereinafter provided, in the funds and accounts obligated to the payment of such defeased Bonds thereafter shall cease and become void. Such
owners thereafter shall have the right to receive payment of the principal of and interest on the defeased Bonds from the trust account, and the defeased Bonds shall be deemed not to be outstanding hereunder. Anything herein to the contrary notwithstanding, the pledge of the full faith, credit and taxing power of the City to the payment of the Bonds shall remain in full force and effect after the establishment and full funding of the trust account. Subject to the rights of the owners of the Bonds, the City then may apply any money in any other fund or account established for the payment or redemption of the defeased Bonds to any lawful purposes as it shall determine.

Section 10. There is created and established in the office of the City Finance Director a special fund to be known and designated as the Limited Tax General Obligation Bond Fund, 1986 (the “Bond Fund”). The accrued interest received, if any, upon the sale and delivery of the Bonds shall be paid into the Bond Fund. There also is created and established in the office of the City Finance Director a special fund to be known and designated as the Computer/Telephone Systems Acquisition Fund, 1986 (the “Acquisition Fund”), of the City. The principal proceeds received from the sale and delivery of the Bonds shall be paid into the Acquisition Fund, and used for the purposes specified in Section 2 of this ordinance and to pay the costs of issuance and sale of the Bonds. Pending the expenditure of such principal proceeds, the City temporarily may invest such proceeds in any legal investment and the investment earnings may be retained in the Acquisition Fund and expended for the purposes of such fund, subject to the provisions of Section 8 of this ordinance. All taxes collected for and allocated to the payment of the principal of and interest on the Bonds hereafter shall be deposited in the Bond Fund.
Section 11. Shearson Lehman Brothers Inc., Foster & Marshall Division, of Seattle, Washington, has presented a purchase contract dated December 15, 1986 (the "Bond Purchase Contract"), to the City offering to purchase the Bonds under the terms and conditions provided in the Bond Purchase Contract, which is on file with the City Clerk and is incorporated herein by this reference. The City Council finds that entering into the Bond Purchase Contract is in the City's best interest and therefore accepts the offer contained therein and authorizes the execution thereof by City officials.

The Bonds will be printed at City expense and will be delivered to the purchaser in accordance with the Bond Purchase Contract, with the approving legal opinion of Roberts & Shefelman, municipal bond counsel of Seattle, Washington, relative to the issuance of the Bonds, printed on each Bond. Bond counsel has not been retained to and shall not be required to review, except the description of the Bonds, and shall express no opinion concerning the completeness or accuracy of any official statement, offering circular or other sales material issued or used in connection with the Bonds, and bond counsel's opinion shall so state.

The appropriate City officers are authorized to execute such documents, including the official statement, and perform such other requirements as may be necessary to effect the prompt delivery of the Bonds to the purchaser.

Section 12. Pending the printing, execution and delivery to the purchaser of the definitive Bonds, the City may cause to be executed and delivered to such purchaser a single temporary Bond in the principal amount of $1,100,000. Such temporary Bond shall bear the same date of issuance, interest rates, principal payment dates and terms and covenants as the definitive Bonds, and shall be issued as a fully registered Bond in the name of
such purchaser, and shall be in such form as acceptable to such purchaser. Such temporary Bond shall be exchanged for the definitive Bonds as soon as the same are printed, authenticated and available for delivery.

Section 13. This ordinance shall take effect and be in force five days from and after its passage, approval and publication as provided by law.
