times specified, when signs are erected giving notice thereof, but in no case shall the speed limit exceed fifty-five miles per hour.

The streets and/or part of streets, speed limits and times referred to herein are as follows:

Section 2. The improvement and construction by the City on a portion of the Canyon Drive (SR 516) between Hazel Avenue and
94 Avenue South have caused conditions warranting an emergency reduction in the set speed limit from 40 to 30 miles per hour, in order to protect and safeguard the public health and safety. This speed limit reduction shall be in effect for a period of approximately three months from the day a notice is posted informing the public of the speed limit reduction on the affected portion of the Highway, or until completion of construction, whichever occurs first.

Section 3. The City Traffic Engineer (CTE) is hereby authorized to immediately post a notice of the reduction of the speed limit in a conspicuous place at each end of the affected portion of the Canyon Drive (SR 516), as contemplated by RCW 47.48.020, and at other locations, as appropriate. The CTE is also authorized to communicate this action to the appropriate office of the WSDOT District One Office, both for coordinative purposes and supporting action by that agency.

Section 4. Any act consistent with the authority and prior to the effective date of this ordinance is hereby ratified and confirmed.

Section 5. The provisions of this ordinance are declared to be separate and severable. The invalidity of any portion of this ordinance shall not affect the remainder, or the validity of its application to other persons and circumstances.

Section 6. Effective Date. This emergency ordinance shall take effect and be in force five (5) days from the time of its final passage and after such time of its final passage as provided by law and the CTE has completed the posting as described in Section 3 herein.
