WHEREAS, the purpose of enacting the provisions of Chapter 1.04 was to establish a uniform system of code enforcement; and

WHEREAS, amending Chapter 13.14 of the Kent City Code to provide for enforcement of violations of the fire code through Chapter 1.04 will assist in the furtherance of this objective; NOW, THEREFORE,
THE CITY COUNCIL OF THE CITY OF KENT, WASHINGTON, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Kent City Code Chapter 13.14 entitled "Enforcement" is hereby amended to read as follows:

CHAPTER 13.14. ENFORCEMENT

This chapter shall govern enforcement actions conducted by the fire chief, pursuant to this title, which includes the fire codes adopted in section Title 13.01.010 as defined in Section 13.14.020 below.

A. "Fire chief" as used in this chapter shall mean the fire chief of the City of Kent or his or her designee.
B. "Fire codes" as used in this chapter shall mean and include the Uniform Fire Code as set forth in section 13.02.010 of the Kent City Code (KCC), Chapter 13.03 KCC entitled "Fire Suppression Systems" and Chapter 13.04 KCC entitled "Fire Hydrants"; as now or hereinafter adopted, amended and/or supplemented pursuant to Title 13 of the Kent City Code, the Revised Code of Washington, and/or the Washington Administrative Code.

A. It shall be the duty of the fire chief to enforce the fire codes this title in the manner generally described in each of the respective fire codes, adopted in section 13.02.010 and as more particularly described in this chapter. All enforcement of the fire codes shall only be performed by the fire chief or with his/her concurrence. The fire chief may call upon the police or other appropriate city department to assist in enforcement.

B. It is the intent of this chapter to place the obligation of complying with the requirements of the fire codes upon the owner, occupier or other person responsible for the condition of the buildings, structures, dwelling units or premises within the scope of this title.

C. In case of conflict between the provisions of enforcement procedures in the fire codes and of this chapter, the provisions of this chapter shall be controlling.

A. The fire chief or his representative shall investigate any building, structure, dwelling unit or premises which the fire chief reasonably believes does not comply with the standards and requirements of the fire codes this title.

B. If, after investigation, the fire chief determines that the standards or requirements of the fire codes have been violated, the fire chief shall may seek compliance and serve a
notice of violation on the owner, tenant, or other person responsible for the condition and/or otherwise enforce pursuant to this chapter and Section 13.14.240 below. If a notice of violation is directed to a tenant or other person responsible for the violation, a copy of the notice shall also be sent to the owner of the property.

C. The notice of violation shall state separately each standard or requirement violated. The notice shall state the corrective action, if any, is necessary to comply with the standards or requirements and shall set a reasonable time for compliance. The notice shall state that any subsequent violations of this title may result in criminal prosecution as provided in section 13.14.240.

D. The notice shall be served upon the owner, tenant or other person responsible for the condition of the building, dwelling unit and/or premises by personal service, registered mail, or certified mail with return receipt requested, addressed to the last known address of such person. After a reasonable search and reasonable efforts are made to obtain service, if the whereabouts of the person is unknown or service cannot be accomplished and fire chief makes an affidavit to that effect, service of the notice upon such person may be made by:

1. Publishing the notice of violation once each week for two (2) consecutive weeks in the city's official newspaper; and
2. Mailing a copy of the notice to each person named on the notice of violation by first class mail to the last known address if known, or if unknown, to the address of the property involved in the proceedings.

E. A copy of the notice shall be posted at a conspicuous place on the premises, unless posting the notice is not physically possible.

F. Nothing in this section shall be deemed to limit or preclude any action or proceeding pursuant to a stop use order issued pursuant to section 2.205 of the Uniform Fire Code adopted in section 13.02.010, an emergency order issued pursuant to section 13.14.120, a condemnation tag issued pursuant to section 2.205 of the Uniform Fire Code, or an action pursuant to the Uniform Code for the Abatement of Dangerous Buildings adopted in section 14.05.010 in order to abate a nuisance.

G. The fire chief may mail, or cause to be delivered to all residential and/or nonresidential rental units in the structure, or post at a conspicuous place on the premises, a notice which informs each recipient or resident about the notice of violation, stop use order, condemnation tag or emergency order and the applicable requirements and procedures.

H. A notice may be amended at any time in order to:

1. Correct clerical errors, or

2. Cite additional authority for a stated violation.

   a. A signed construction contract with a licensed contractor to perform the required work by a specific date and for reasonable compensation;

   b. Proof of the availability of financial resources to perform the required work with such funds placed in a segregated account to be used only for required repairs or a binding commitment from an established lending institution providing sufficient funds to complete the required repairs; or

   c. The filing of a complete application for a permit to perform the required work and evidence of payment of any required fees.

3. The procedural requirements for obtaining any required permit to carry out corrective action;

4. The complexity of the corrective action, including seasonal considerations, construction requirements and the legal prerogatives of landlords and tenants; and
5. Any other circumstances beyond the control of the responsible party.

B. Unless a request for a review of the notice of violation is made in accordance with section 13.14.140, the notice shall become the final order of the fire chief. A copy of the notice of violation or order shall be filed with the county department of records and elections, except that the fire chief may choose not to file a copy of the notice or order if the notice or order is directed only to a responsible person other than the owner of the property.

Sec. 13.14.100. Stop use order.

The fire chief may issue a stop use order pursuant to the provisions of as described in section 2.205 of the Uniform Fire Code, or may issue such order whenever a continuing violation of any of the fire codes this title will materially impair the fire chief's ability to secure compliance or when a continuing violation threatens the health or safety of the public.

Sec. 13.14.120. Emergency order.

A. Whenever any building, use, dwelling unit and/or premises which violates the fire codes title 13 threatens the health and safety of the occupants of the building, dwelling unit, premises or any member of the public, the fire chief may issue an emergency order requiring that the building, dwelling
unit and/or premises be restored to a condition of safety, and specify the time set for compliance. In the alternative, the order may require that the building, dwelling unit and/or premises be immediately vacated and closed to entry.

Sec. 13.14.140. Review by the fire chief.

A. Any person aggrieved by a notice of violation issued by the fire chief pursuant to section 13.14.060 may obtain a review of the notice by requesting such review within fifteen (15) days after service of the notice. When the last day of the period so computed is a Saturday, Sunday or federal or city holiday, the period shall run until 5:00 p.m. on the next business day. The request shall be in writing, and upon receipt of the request, the fire chief shall notify any persons served the notice of
violation and the complainant, if any, of the date, time and place set for the review, which shall be not less than ten (10), nor more than twenty (20) days after the request is received. The fire chief may, upon good cause, postpone the date set for a review, if all persons served with the notice of violation agree to such postponement. Before the date set for review, a person significantly affected by the notice of violation may submit any written material to the fire chief for consideration at the review.

D. The review will consist of an informal meeting held in the code enforcement division offices. A representative of the fire chief, such as the assistant fire chief in charge of the city's code enforcement division, will attend. An explanation will be given of the reasons for the fire chief's issuance of the notice and the representative will listen to any additional information presented by the persons attending. B. An extension of time may be revoked by the fire chief if it is shown that the conditions at the time the extension was granted have changed, if the fire chief determines that a party is not performing corrective actions as agreed, or if the extension creates an adverse effect on the public. The date of revocation shall then be considered as the compliance date.

Any appeal of a final order issued by the fire chief pursuant to this chapter must be filed in the county superior court within thirty (30) days of issuance of such order. There

E. It shall be unlawful for any person to use or occupy, or to cause or permit any person to use or occupy the building, dwelling unit and/or premises after the date provided in an emergency order requiring the building, dwelling unit and/or premises to be vacated and closed, until the fire chief certifies that the conditions described in the emergency order have been
corrected and the building, dwelling unit and/or premises have been restored to a safe condition.

A. In addition to any other sanction or remedial procedure which may be available, any person violating or failing to comply with any of the provisions of this title shall be subject to a cumulative penalty in the amount of three hundred dollars ($300.00) per day for each violation from the date set for compliance until the corrections are made as described in the order.

B. The penalty imposed by this section shall be collected by civil action brought in the name of the city. The fire chief shall notify the city attorney in writing of the name of any person subject to the penalty, and the city attorney shall, with the assistance of the fire chief, take appropriate action to collect the penalty.

C. The violator may show as full or partial mitigation of liability:

1. That the violation giving rise to the action was caused by the wilful act, or neglect, or abuse of another; or

2. That correction of the violation was commenced promptly upon receipt of the notice thereof, but that full compliance within the time specified was prevented by inability to obtain necessary materials or labor, inability to gain access
to the subject structure, or other condition or circumstance beyond the control of the violator.

A. Civil. Any violation of any provision of this chapter constitutes a civil violation under Kent City Code Chapter 1.04 for which a monetary penalty may be assessed and abatement may be required and/or otherwise enforced as provided therein.

A-B. Criminal. In addition or as an alternative to any other penalty provided in this chapter or by law, any person violating the following provisions shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be punished in accordance with the provisions of section 1.01.140 relating to criminal penalties for misdemeanors for:

3. For any pattern or wilful, intentional, or bad faith or refusal to comply with the standards or requirements of the fire codes this chapter;

4. For any other violation of the fire codes for which corrective action is not possible.
B. Each day that anyone shall continue to violate or fail to comply with any of the foregoing provisions shall be considered a separate offense.

The fire chief may seek legal or equitable relief to enjoin any acts and practices and abate any condition which constitutes or will constitute a violation of the fire codes when civil or criminal penalties are inadequate to effect compliance. Nothing in this chapter shall be deemed to limit or preclude any other action or proceeding relating to the enforcement of the fire codes pursuant to the Uniform Code for the Abatement of Dangerous Buildings, adopted in section 14.056.010.

SECTION 2. Severability. If any section, sentence, clause or phrase of this ordinance should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this ordinance.
