An ordinance of the City of Kent, setting aside the assessment roll as approved, and the assessment as levied and assessed upon and against the property in Local Improvement District No. 128, for the improvement of portions of Railroad Avenue and Willis Street by placing Macadam thereon, all as set forth in Ordinance No. 316 of the said City, repealing said ordinance No. 316, and ordering a re-assessment of the said district.

WHEREAS, it has been made to appear to the satisfaction of the City Council of the City of Kent, that the assessment roll heretofore made and adopted by the City Council, and the assessment made and levied upon the properties in Local Improvement District No. 128, for the improvement of portions of Railroad Avenue and Willis Street, by placing thereon crushed rock, and doing other work as set forth in the ordinance directing such improvement, all of such assessment being under the provisions of ordinance No. 316 of the said City, are so far erroneous that many of the abutting properties are assessed in an amount greatly in excess of the amount justly and legally chargeable upon such properties, and many other of the abutting properties are assessed much less than the amount which is justly and legally assessable thereon, owing to errors in computation in making the said assessment and assessment roll, and that a reassessment of the said district for the said local improvement thereof, is necessary to correct the said errors and make a just and legal assessment thereof, therefore

THE CITY COUNCIL OF THE CITY OF KENT DO ORDAIN AS FOLLOWS:
