An ordinance to provide for the grubbing, stumping, and grading of Gowe Street from its intersection with Railroad Avenue to the East Line of the Washington Central Improvement Co.'s First Addition to Kent; establishing a grade fund.

It is ordained by the Council of the Town of Kent

Sec. I. That Gowe Street from its intersection with Railroad Avenue to the East boundary line of the Washington Central Improvement Co.'s First Addition to Kent be grubbed, stumped and graded.

Sec. II. That there shall be and is hereby created in the Treasury of the Town of Kent a fund to be known as the East Gowe Street Grade Fund.

Sec. III. That all warrants when drawn for the payment of contract work, labor or material furnished in grubbing, stumping or grading and surveying said Gowe Street as above described shall be payable from said fund.

Sec. IV. All revenue accruing to said Town from money arising from assessments made against
2. Kent, Wash., 189

the property along that part of your street above described for said improvements shall be collected and accredited to the East Kent street grade funds.

Sec. VI. This ordinance shall have full force and effect from and after its passage, approval and publication

Passed May 4th, 1891

Approved May 4th, 1891
