ORDINANCE NO. 3801

AN ORDINANCE of the City Council of the City of Kent, Washington, amending Chapter 12.01 of the Kent City Code to correct and clarify city code permit processing requirements and to add public notice requirements.

RECITALS

A. In an effort to reduce the cost and time needed to obtain land use permits, in 1995 the State of Washington Regulatory Reform Act created provisions for Local Project Review (Chapter 36.70B RCW). The City of Kent established permit processes in accordance with the Act in November 1998 via adoption of Ordinance No. 3424. At this time, several code amendments are needed to correct, clarify, and amend Kent City Code ("KCC") Chapter 12.01 entitled Administration of Development Regulations.

B. After a public hearing on March 27, 2006, the Land Use and Planning Board recommended code amendments for correction and clarification purposes. The Planning and Economic Development Committee considered the issue at its meeting on May 15, 2006.

C. On June 6, 2006, the city council of the city of Kent approved amendments to Chapter 12.01 KCC to correct, clarify, and add public notice requirements.
D. On February 21, 2006, the city provided the required sixty (60) day notification under RCW 36.70A.106 to the state of Washington regarding these amendments to Chapter 12.01 KCC.

E. The City's State Environmental Policy Act responsible official determined that SEPA review was not required because the amendments are procedural in nature and therefore categorically exempt.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF KENT, WASHINGTON, DOES HEREBY ORDAIN AS FOLLOWS:

ORDINANCE

SECTION 1. – Amendment. Section 12.01.020 of the Kent City Code is amended to read as follows:

Sec. 12.01.020. Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

A. Closed record appeals are administrative appeals under Chapter 36.70B RCW which are heard by the city council or hearing examiner, following an open record hearing on a project permit application when the appeal is on the record with no or limited new evidence or information allowed to be submitted and only appeal arguments allowed.

B. Judicial appeals are appeals filed by a party of record in King County superior court.

C. Open record hearing means a hearing held under Chapter 36.70B RCW and conducted by the Kent hearing examiner who is authorized by the city to conduct such hearings, that creates the city's record through testimony and submission of evidence and information, under procedures prescribed by the city by ordinance or resolution. An open record hearing may be held prior to the city's decision on a project permit to be known as an "open record pre-decision
hearing." An open record hearing may be held on an appeal, to be known as an "open record appeal hearing," if no open record pre-decision hearing has been held on the project permit.

D. Parties of record means:

1. The applicant;

2. The property tax payer as identified by the records available from the King County assessor's office;

3. Any person who testified at the open record public hearing on the application; and/or

4. Any person who submitted written comments during administrative review or has submitted written comments concerning the application at the open record public hearing (excluding persons who have only signed petitions or mechanically produced form letters).

E. Project permit means any land use or environmental permit or license required from the city of Kent for a project action, including but not limited to building permits, site development permits, land use preparation permits, subdivisions, binding site plans, planned unit developments, conditional uses, shoreline substantial development permits, development plan review, site specific rezones authorized by the comprehensive plan; but excluding adoption or amendment of the comprehensive plan and development regulations, zoning of newly annexed land, area-wide rezones, and zoning map amendments except as otherwise specifically included in this subsection.

F. Planning director means the director of the planning department of the city of Kent or his/her designee.

G. Public meeting means an informal meeting, hearing, workshop, or other public gathering of persons to obtain comments from the public or other agencies on a proposed project permit prior to the city's decision. A public
meeting may include, but is not limited to, a design review meeting, a special committee meeting, such as the short subdivision committee, or a scoping meeting on a draft environmental impact statement. A public meeting does not include an open record hearing. The proceedings at a public meeting may be recorded and a report or recommendation may be included in the city’s project permit application file.
