ORDINANCE NO. 3859

AN ORDINANCE of the city council of the city of Kent, Washington, amending section 9.38.020 of the Kent City Code, entitled "No parking zones," to add parking prohibitions to portions of 27th Place South and South 256th Street.

RECITALS

A. In KCC 9.38.020, the Kent City Council has created a number of no parking zones throughout the City for various reasons. The Kent Police Department has requested council adopt an ordinance which creates additional no parking zones on 27th Place South from South 259th Street north to South 256th Street and on South 256th Street from 27th Place South east to the traffic control gate installed on South 256th Street.

B. The neighboring apartment complexes have advised the Police Department that they would welcome the no parking zones. According to the managers, there is adequate parking within the complex parking lots to accommodate their tenants and agreed the no parking zones would increase safety in the neighborhood. The managers spoke of a young child who was hit by a car a few weeks ago, and the limited visibility afforded to tenants as they exit the parking lots due to the cars parked on the street. One of the complexes, the Appian Way Apartments, has over 250 children that participate in its programs, and its manager spoke of many near misses of children being hit by cars.

C. It appears that there is also adequate parking in the four-plex rental buildings located on South 256th Street and 27th Place South. Each four-

plex has six to seven on site parking spots to accommodate their residents and they should have little need to park on the street.

D. In addition to creating more visibility to tenants as they exit the apartment complexes, the no parking zones would help to clean up the neighborhood. The apartment managers work hard to ensure their parking lots only contain properly licensed, running cars of tenants residing in their apartments. Unfortunately, this action causes the tenants to move their junk cars to the street. In addition, there are officer safety concerns with gang and drug activity where these cars provide cover for criminals to conduct business and create a safety risk for our officers.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF KENT, WASHINGTON, DOES HEREBY ORDAIN AS FOLLOWS:
