AN ORDINANCE of the City Council of the City of Kent, Washington, levying 2010 property taxes for the 2011 budget for the City of Kent.

RECITALS

A. Pursuant to RCW 84.55.120 and after providing all appropriate notice, the City Council held a public hearing on November 2, 2010, to consider the City of Kent's proposed operating and capital budget for the 2011 calendar year, to address the City's property tax levy to be imposed in 2010 for collection in 2011, and to review revenues and limit factors, as well as the proposed 2011 budget.

B. In accordance with RCW 84.55.120, any increase in property tax revenue other than that resulting from the addition of new construction and improvements to property, annexations, and any increase in the value of state-assessed property and the refund fund levy, requires the adoption of a separate ordinance from the tax levy ordinance specifically authorizing the increase in terms of both dollars and percentage.

C. By separate ordinance, the City Council has found that a substantial need exists to justify the use of a limit factor of 101 percent, which establishes a one (1) percent increase in property tax revenue to be levied in 2010 and collected in year 2011.
