An ordinance of the City of Kent providing for and creating concrete districts and naming the limits thereof.

The City Council of the City of Kent do ordain as follows:

Section 1. All sidewalks hereafter constructed and all renewals of existing sidewalks within the limits of the districts described in Section 2 of this ordinance shall be of concrete construction, of six feet in width and in accordance with plans and specifications adopted by the City Council or special plans and specifications of the City Engineer.

Section 2. The districts affected by this ordinance shall be as follows:

All streets and avenues between Willis Street on the south on the north including said Smith & Shinn Streets including said Willis Street and Smith and Shinn Streets from and including Railroad Avenue on the east to the right-of-way of the Chicago, Milwaukee and Puget Sound Railway on the west; also Meeker Street from the Puget Sound Electric Company's right-of-way to the west boundary line of the City of Kent.

Section 3. This ordinance shall be in force and effect five days after its passage, approval and publication, as by law provided.

Passed by the Council July 16, 1917.

Approved by the Mayor July 17, 1917.
