PETITION.

TO THE HONORABLE MAYOR AND CITY COUNCIL.

CITY OF KENT.

GENTLEMEN:

The undersigned petitioners, all being property owners in the City of Kent and being desirous of beautifying our city and making its thoroughfares pleasant to look upon and to travel upon, feel that with the completion of the paving now underway and nearing completion, the work should not stop with the paving of the center of the streets alone, but that that part between the paving and the sidewalk should also be improved, that we consider that as essential as the paving, and to that end we hereby petition your honorable body to proceed at once to plow, level and seed to grass seed both sides of all streets which have been improved by paving or by Adam or other hard surface, from the outer edge of the paving or hard surface to the sidewalk line.

By resolution or ordinance declare that portion of streets a part of the park system of the city, and use the funds now on hand in the park fund for the said proposed improvement. After which place the improved parking space under the supervision care and control of the park board for them to maintain.

Respectfully,

PETITIONERS.
