AN ORDINANCE of the City of Kent, levying and assessing a 4% tax on the water system of said city, annually, to be paid into the Current Expense Fund.

WHEREAS by section 9129 of Remington's Compiled Statutes of Washington, it is provided that the city has the right to levy an annual tax of 4% on the cost of the water system, and that the original cost and present value of the system is placed at $100,000.00;

...
I hereby ordain and require all persons and corporations of the City of New York and every other person or corporation within the City of New York to comply with the provisions of this Ordinance.
