AN ORDINANCE of the City of Kent declaring an emergency, providing for the payment of an indebtedness by the City of Kent.

The City Council of the City of Kent does ordain as follows:

Section 1: That by reason of the overflow of the Green and White rivers, and other excessive high water during the fall and winter of 1931 and 1932, and the continued use of the main sewer of the city since its construction in 1909; the main trunk sewer which is the only outlet for the disposal and discharge of sewage of the entire city of Kent, has become and is broken down and partially destroyed, and is unfit for the disposal of sewage of the said city; that the usefulness thereof has been partially destroyed, is detrimental to the preservation of order and public health, and that the restoration thereof to a condition of usefulness could not reasonably have been foreseen at the time of making the budget. That by reason thereof the City Council of City of Kent, DOES HEREBY DECLARE, THAT A PUBLIC EMERGENCY EXISTS;

Section 2: That the estimated amount required to meet the emergency as declared in section 1 hereof, is the sum of Eight Thousand Dollars.

Section 3: That this ordinance is hereby set for a final hearing before the City Council at the council chambers in the City Hall on the 12th day of August, 1935, at 8 o'clock p.m., at which time and place any person interested may appear and be heard for or against the adoption and passage thereof.

Section 4: There is hereby appropriated and set aside from the general fund of the City of Kent, the sum of Eight Thousand Dollars, or so much thereof as may be necessary, to meet the cost and expense of the improvement, in replacing and laying new sewer pipe, and making connection with the main trunk sewer, according to plans and specifications adopted and approved by the city council; said amount to be placed in a fund to be known as The Trunk Sewer Replacement Fund, and from which all moneys shall be drawn by warrant on said special fund to meet the cost and expense thereof as the same may be presented and allowed by the council.

Section 5: The work to be performed is to be in accordance with the
plans and specifications prepared by the city Engineer and approved and adopted by the council as follows: The replacing and repairing of the old sewer pipe with new 24 inch approved sewer pipe, on Shinn street between Central avenue and Washington street, according to said plans and specifications as near as may be.

Section 6: The indebtedness hereby created is in accordance with the provisions of Section 9000-6 of Rees Rev Statutes of the State of Washington, and with the laws of the State of Washington in reference thereto.

This ordinance No. 666, was regularly presented and read at the regular meeting of the city council on August 5th, 1935, and adopted by the unanimous vote of the councilmen present at said meeting, and on motion was continued for further action to the regular adjourned meeting of the council of August 12, 1935 at 8 o'clock p.m.

MAYOR. Attest, CITY CLERK.
