THE CITY COUNCIL OF THE CITY OF KENT DO ORDAIN AS FOLLOWS:

Section 1:
That the City Council of the City of Kent desires to avail itself of the powers conferred by an act of the Legislature of the State of Washington entitled "An act relating to city, town, county and regional planning and the creation, organization, duties and powers of planning commissions", approved by the Governor of the State of Washington on April 11, 1935, and being Chapter 44 of the Session Laws of the State of Washington of 1935, and pursuant to such desire does hereby create as part of the city government of said city, a City Planning Commission in and for the City of Kent.

Section 2:
That the City Planning Commission hereby created shall consist of seven (7) members to be appointed by the Mayor of the City of Kent and confirmed by the City Council. The members of the City Planning Commission shall be selected without respect to political affiliation and they shall serve without compensation. Not more than one-third of the number of such Commission shall be ex-officio members by virtue of office held in the City of Kent. The term of office of the ex-officio members of the Commission shall correspond to their respective tenures, and the term of office of the first appointive members shall be designated from one to six years in such a manner as to provide that the fewest possible terms will expire in any one year. Thereafter the term of office for each appointive member shall be six years. Vacancies occurring otherwise than through the expiration of terms shall be filled for the unexpired term. Members may be removed, after public hearing, by the appointing official, with approval of the City Council, for inefficiency, neglect of duty or malfeasance in office.
Section 3:
The City Planning Commission shall pursue such purposes, operate under such rules, have such powers and perform such duties as are set forth in Chapter 44 of the Session Laws of the State of Washington of 1935.
