AN ORDINANCE of the City of Kent declaring an emergency, making an appropriation, and providing for the issuance of warrants for the Park Department of said City.

WHEREAS, the City of Kent in its budget for the capital outlay of the Park Fund for the year 1950 appropriated the sum of $5,000; and

WHEREAS, an opportunity has now arisen for the purchase of land eminently suitable for the establishment of a park and recreation area for said city, the owners of which land have signified their intention to sell to other parties in the event the City does not take at once; and

WHEREAS, the funds budgeted for capital outlay are insufficient for the purchase of said lands; now, therefore,

THE CITY COUNCIL OF THE CITY OF KENT DO ORDAIN AS FOLLOWS:

Section 1. That an emergency exists which could not reasonably have been foreseen at the time of the making of the budget for capital outlay of the Park Fund for the year 1950 by reason of the facts set forth in the preamble of this ordinance.

Section 2. That it is necessary in order to obtain the land which is desired and which is suitable for the purpose of a park that an emergency appropriation be made; that the estimated amount necessary to meet such emergency is the sum of $6,500.00.

Section 3. That there is hereby appropriated for the Park Fund, Capital Outlay, the sum of $6,500.00; that if necessary emergency warrants shall be issued for said amount or for such portion thereof as shall be necessary, such emergency warrants to bear interest at the rate of six per cent per annum from date of issue until paid.

Section 4. That the amounts drawn against said capital outlay fund by said emergency warrants, if any, shall be included in the tax levy as by law provided.

Section 5. This ordinance shall be in force five days after its passage, approval and publication as by law provided.
