ORDINANCE NO. 8

An ordinance granting a franchise for a water pipe to the Washington Condensed Milk Company.

be it ordained by the council of the town of Kent:

Section 1. That there is hereby granted to the Washington Condensed Milk Company, a corporation, the right and privilege to lay, construct, maintain and operate a water main through the streets of the town of Kent to the building or buildings which the said company may use and occupy for the operation of its condensed milk factory in the town of Kent, for the purpose of supplying the water necessary for the operation of the said Company's condensed milk factory, and for no other purpose.

Section 2. That the said water main shall be laid at such distances from the property lines of the said streets, and at such depths beneath the surface, as shall be satisfactory to the superintendent of water and light of the town of Kent. The surface of said streets, wherever disturbed by said company in laying or repairing said water main shall at once be restored to its former condition, and said surface shall be kept and maintained in a proper condition for travel, and such main shall be laid in such manner and kept in such repair by said company as to do no damage to any portion of any street.

Section 3. That all the rights and privileges granted by this ordinance shall be in force and continue without any limitation of time from the date of the passage of this ordinance, except that the same and all thereof shall upon the failure of any of the following specified conditions become forfeited and be null and void, that is to say:
1st. Unless within ten days from the passage of this ordinance the said Company shall file in the office of the clerk of said town of Kent its written acceptance of the terms of this ordinance, subject to all the conditions, provisions and reservations herein named.

2nd. Unless said Company shall within ninety days from the passage of this ordinance, remove its factory now located at to said town of Kent and have the same in operation to its full capacity.

3rd. Unless the factory of said Company shall be kept in operation, and shall not be closed down or the business abandoned.

4th. That said Company shall use the water flowing through said main for the sole purpose of supplying its said factory, and shall not attempt to, or in fact, sell or give away any of said water to any other person or corporation for any purpose whatever, or permit the use of the same in any manner by any other person or corporation.

5th. That said Company shall not sell, transfer or assign any of the rights granted it by this ordinance to any other person or corporation, or suffer the same to be sold under execution or writ or attachment or other writ or process issuing out of any court, or on foreclosure proceedings in any court, or otherwise.

Section 4. This ordinance shall take effect and be in force from and after its passage, approval and publication.
