WHEREAS, it now appears necessary, in view of recent and contemplated annexations of property to the City of Kent, that a proper survey and plan be made by competent planning technicians and professionals in order to provide for the orderly growth of the city and additional surrounding territory, and that advantage be taken of the provisions of the said Housing Act of 1954, and that provision must be made for the payment for such services; now, therefore,

The City Council of the City of Kent do ordain as follows:

3. That there is hereby appropriated for the Current Expense Fund, capital outlay, the sum of $5,000.00; that if necessary,
emergency warrants shall be issued for said amount or for such portions thereof as shall be needed, such emergency warrants to bear interest at the rate of six per cent per annum from the date of issue until paid.

4. That the amounts drawn against said emergency appropriation for capital outlay, Current Expense Fund, by said emergency warrants, if any, shall be included in the tax levy for the year 1959, as by law provided.
